

# CARPET EXTRACTOR

The Riccar Carpet Extractor provides commercial grade deep-cleaning with powerful suction to clean your carpets better and dry them faster. You'll enjoy great results with less effort.

The Riccar Carpet Extractor bathes your carpet with specially-formulated detergent and hot water, then agitates the carpet fibers to loosen dirt and extract the dirty water. Allergens, stains and odors disappear, leaving cleaner, healthier, revived carpet and a fresh scent.

---

PERFORMANCE	1800 RPM revolving brushroll provides excellent agitation and deep carpet cleaning 112 CFM, 1.6 horsepower, 2-stage vacuum motor and 107 inches water lift provide powerful suction and faster carpet drying time 60 PSI pump pressure blasts cleaning solution into your carpet with more than twice as much pressure as other rental extractors.
CONVENIENCE	13 inch vacuum path is wider than the other rental extractors for faster cleaning Large 4.25 gallon solution tank limits emptying and refilling downtime 25 foot power cord for extra-long reach Metal handle adjusts to any height for ease of use Clear drain tube shows level of remaining fluid in solution tank
DURABILITY	2 year warranty on extractors and 10 year warranty on the tanks Eight-inch rubber wheels won't wear down or slip on carpet like plastic wheels do
OPTIONAL TOOLS	8' direct-connect hose, upholstery tool, mesh Bag for hose and tool storage
FACTORY	Fort Worth, Texas, USA
	\$1599
